

A decorative background consisting of a grid of colored squares in various colors including red, blue, green, orange, yellow, purple, and grey, arranged in a pattern that resembles a mosaic or a digital art style.

# Dare to be unexpected!

*My* **Colour**  
by STRATOBEL

Use My Colour By Stratobel to customise your most daring projects. Combine multiple coloured PVB films to achieve any colour you can dream of while maintaining all other important features, such as safety, solar control and acoustic performance.

Harness My Colour By Stratobel to reflect the identity of your brand or company, customise a room or space, or dare to be unexpected. You can even play with the transparency, translucence and opacity of your colours.

Our AGC representatives will use our My Colour By Stratobel service and IT application to guide you through the entire process: from requesting a sample to obtaining a quote and placing the order. We provide **advice, colours and solutions.**

Please contact your AGC representative for any additional information.
